PARTICIPANTS NEEDED FOR A BALANCE RESEARCH STUDY

Who: Adults and stroke survivors above the age of 30

What: A research study on biomechanics and muscle activity during standing and walking balance.

Where: Neuromechanics Balance Lab at Emory Rehabilitation Hospital (Emory Clifton Campus).

Time: ~ 3 hours

Our study involves questionnaires and clinical measures of balance as well as monitoring muscle activity and movements with motion capture, video, force sensor, and electromyography equipment. Compensation is $50.
